

LOTTO 4 GAME CONDITIONS

1. Effective Date

These Game Conditions shall come into force and apply to LOTTO 4 tickets when LOTTO 4 tickets are first offered for sale by the Atlantic Lottery Corporation Inc. (ALC) and these Game Conditions shall apply to all draws held thereafter for the LOTTO 4 game until they are amended by ALC.

2. Rules and Regulations

LOTTO 4 is governed by and subject to the Rules and Regulations of the ALC which are available upon request, and WHICH INCLUDE LIMITATIONS OF LIABILITY, and all applicable laws.

3. Issuance of Tickets

To participate, an eligible player must request a LOTTO 4 ticket from an eligible ALC Retailer or complete a LOTTO 4 selection slip and pay the required amount which is based on the selections purchased on the ticket. With a selection slip, the Player must choose a 4 digit number ranging from 0000-9999, a wager amount, a wager type and the number of draws. Via Instapik, the 4-digit number is selected at random by the computer. Upon payment, the Player receives a ticket showing, among other things, the date of the draw for which it is valid, the 4 digit wager number, the amount(s) wagered, the type(s) wagered, potential prize info, and a control number.

4. Winning Selections

Winning selections, as a result of any draw, are determined as set out below.

Winning Selection	How to Win
Exact Order	Match all 4 numbers in the exact order.
Any Order 1	Match all 4 numbers in any order, with 3 numbers being the same and 1 number being unique.
Any Order 2	Match all 4 numbers in any order, the 4 numbers being 2 pairs of matching numbers – Ex: 1133 (pairs must be unique from each other)
Any Order 3*	Match all 4 numbers in any order, with 2 numbers being the same and the 2 other numbers being unique.
Any Order 4	Match all 4 numbers in any order with all 4 numbers being unique.

*For Any Order 3, the 2 numbers must be unique from the 2 matching numbers and from each other.

5. Winning Tickets

Any valid ticket for a draw bearing any winning selection of such draw is a winning ticket and entitles its holder(s) to claim, for each such winning selection, a prize calculated in accordance with the prize payout table. Only one prize per winning selection may be claimed.

LOTTO 4 draws occur daily at approximately 11:29:59 P.M. Atlantic time. On each draw date, ALC will draw 1 number at random ranging from 0000 to 9999.

6. Prize Limitations

For each LOTTO 4 draw, ALC reserves the right to limit the total amount of prizes available to be won for each 4 number selection to \$1,000,000. If a selection has reached the prize limit it will be rejected. For example, if the limit has been reached for 7777 in a specific draw and a wager is attempted the wager will be declined.
