

## Game Introduction

Action Bank is a new five reel slot that features freespins and a Big Bank Bonus.

## How to play

Select your stake -

If you wish to adjust this, click the STAKE/LINE '+' and '-' buttons to increase or decrease the size of your stake per line.

## Win lines

The default win line selection is 20 win lines.

## Start the game

Press SPIN to initiate the game.

## Help

All line win amounts are shown in the games pay table as multiplier values. These can be viewed by pressing the HELP button.

## Free Spins Bonus

Each reel that contains a losing 'O' symbol has a chance of transforming in a vault scatter symbol.

Five vault scatter symbols awards a quantity of free spins and the chance to gamble those free spins or a chance to win the Big Bank Bonus.

## Big Bank Bonus

Select a vault to reveal a Sapphire, Diamond or Ruby.

Keep choosing gems until you have 3 of a kind to win the associated multiplier value.

Malfunction voids all pays and play.
