

WEALTH OF WONDERLAND™ MEGAWAYS™

Game Rules

1. OVERVIEW

The goal is to obtain a winning combination on a winning way spread across the reels.

Game specifications:

Type	Slots
Number of reels	6
Symbols per reel	2 to 7
Number of ways	Up to 117,649 Megaways
Number of coins you can bet	20 (cannot be changed)
Progressive	No
Double feature	No
Auto spin feature	Yes
Wild symbols	Yes
Multiplier symbols	No
Scatter symbols	Yes (Bonus)
Bonus round	Yes
Free spins	Yes
Instant win	No
RTP	96.03%

The game disconnects if you do not take any actions for a specific number of consecutive minutes (this number varies depending on jurisdiction); the session recovery feature will save the game progress so that the next time the game is loaded, you can continue where you left off.

In the event of technical difficulties resulting in a dropped connection to the game server, the game you were playing is saved automatically and will load the next time you establish a connection to the game server. You will not be able to reconnect to the game server for the first 30 seconds after the disconnection.

Note: In case of malfunction all pays and play are voided; any bet that was not yet accepted will be voided, any bet that was unsettled will be refunded.

2. HOW TO PLAY

All winning ways pay from left to right. Winnings on different ways are all added. Only the highest winning combination on each way is paid. Winnings from Free Spins are added to the total win.

2.1. Desktop version

To play, follow these steps:

1. Click  on the main screen, and then use the + and - buttons to select a coin value.

Click

to save the settings and return to the main screen.

2. Click

to place the bet and spin the reels one time.

The total amount won will be shown in the WIN field from the info bar. For each winning combination, the amount won is the amount shown in the payable for that winning combination.

2.2. Mobile version

To play, follow these steps:

1. Tap  on the main screen, then use the + and - buttons to select a coin value. Tap

to save the settings and return to the main screen.

2. Tap

to place the bet and spin the reels one time.

The total amount won will be shown in the WIN field from the info bar. For each winning combination, the amount won is the amount shown in the paytable for that winning combination.

3. SPECIAL SYMBOLS AND FEATURES

3.1. Megaways

Megaways under license from Big Time Gaming.

Each spin can have up to 117,649 ways to win. Wins are awarded for left to right adjacent symbols, starting on reel 1, regardless of size.

Megaways is inactive during Respins but the number of spaces available during Respins will be based on the triggering megaways reels.

3.2. Wild

The **Wild** symbol replaces any other symbols, except the **Bonus** and **Cash Respin** symbols, to form winning combinations.

Wilds only appear on reels 2 ,3 ,4 and 5.

3.3. Bonus symbol

Landing 3 **Bonus** symbols anywhere on the reels will trigger 10 **Free Spins**.

5 more Free Spins will be added for each additional **Bonus** symbol, up to a maximum of 25 **Free Spins**.

3.4. Cash Respin symbol

Landing 5 or more **Cash Respin** symbols anywhere on the reels will trigger **Queen of Hearts Cash Respins**.

3.5. Mystery symbol

Randomly, on any spin a number of **Mystery** symbols can land in view.

All **Mystery** symbols will turn into the same symbol, except **Wild** or **Bonus** symbols.

Note: **Mystery** symbols are also available in **Free Spins**.

3.6. Cascading Wins

Symbols spin into position to form a number of Megaways. Any win in view will start a Cascade.

Symbols in winning combinations will explode and new symbols will drop into position. Cascades will continue until no new wins are formed.

Note: During cascading wins, the number of ways is fixed at the same amount as on the initial winning spin.

Bonus and **Cash Respin** symbols cannot be broken and will remain on screen until no more wins are formed.

3.7. Max Megaways

During any paid spin the **Max Megaways** modifier can be triggered. This will happen randomly with a unique background animation and the modifier title appearing, causing the reels to land the maximum amount of Megaways available (117,649).

Randomly, on any spin the **Max Megaways** can be triggered, and it will force the reels to a 117,649 megaway outcome.

3.8. Queen of Hearts Cash Respins

Landing 5 or more **Cash Respin** symbols anywhere on the reels will trigger **Queen of Hearts Cash Respins**.

Start with 3 Respins and if another **Cash Respin** symbol lands in view the number of respins will reset to 3.

When the Respins end all **Cash Respin** symbol values in view will be paid.

Cash Respin Symbols values will be multiplied by Total Bet.

Note: Queen of Hearts Cash Respins can be triggered from **Queen of Hearts Free Spins**. If **Queen of Hearts Cash Respins** is triggered the active multiplier in **Queen of Hearts Free Spins** is carried over and all **Cash Respin** symbols are multiplied by that total multiplier.

Respins will be fixed to the number of megaways it was triggered on.

3.9. Queen of Hearts Free Spins

Landing 3 **Bonus** symbols anywhere on the reels will trigger 10 **Free Spins**.

5 more Free Spins will be added for each additional **Bonus** symbol, up to a maximum of 25 **Free Spins**.

Free Spins cannot be retriggered.

Note: Queen of Hearts Cash Respins can be triggered from **Queen of Hearts Free Spins** by landing 5 or more **Cash Respin** symbols. If **Queen of Hearts Cash Respins** is triggered the active multiplier in **Queen of Hearts Free Spins** is carried over and all **Cash Respin** symbols are multiplied by that total multiplier.

During **Free Spins** the number of megaways is random.

3.10. Unlimited Multiplier

An unlimited win multiplier, starting at x1, is active during **Queen of Hearts Free Spins**.

After every cascading win during Free Spins, the multiplier will increase by x1.

The new multiplier will apply to the next free spins win, whether it comes during the same series of cascades or on a later free spin.

3.11. Royal Guarantee

A **Royal Guarantee** will trigger if the total win from **Queen of Hearts Free Spins** is less than 10x stake.

The **Royal Guarantee** will award +5 Free Spins.

Note: The Royal Guarantee can only happen once.

3.12. Win Cap

The maximum total win in a single game is capped at 1,000,000 coins.

Any wins shown and played in the background after the win cap is applied on a single game are not awarded.

Wins after the win cap will be shown as 0 in the Game History.

If the win cap is reached during Respins, the feature will continue but only values up to the win cap total will be collected and paid at the end.

If the win cap is reached during Free Spins, the feature will end regardless of spins remaining.

Note:

RespinsLeft= Queen of Hearts Cash Respins remaining.

RespinsUsed= Queen of Hearts Cash Respins played.

initial symbols: initial symbols.

win_multiplier= Win Multiplier.

combo= Cascading Wins.

wins_cap_reached= Win cap.

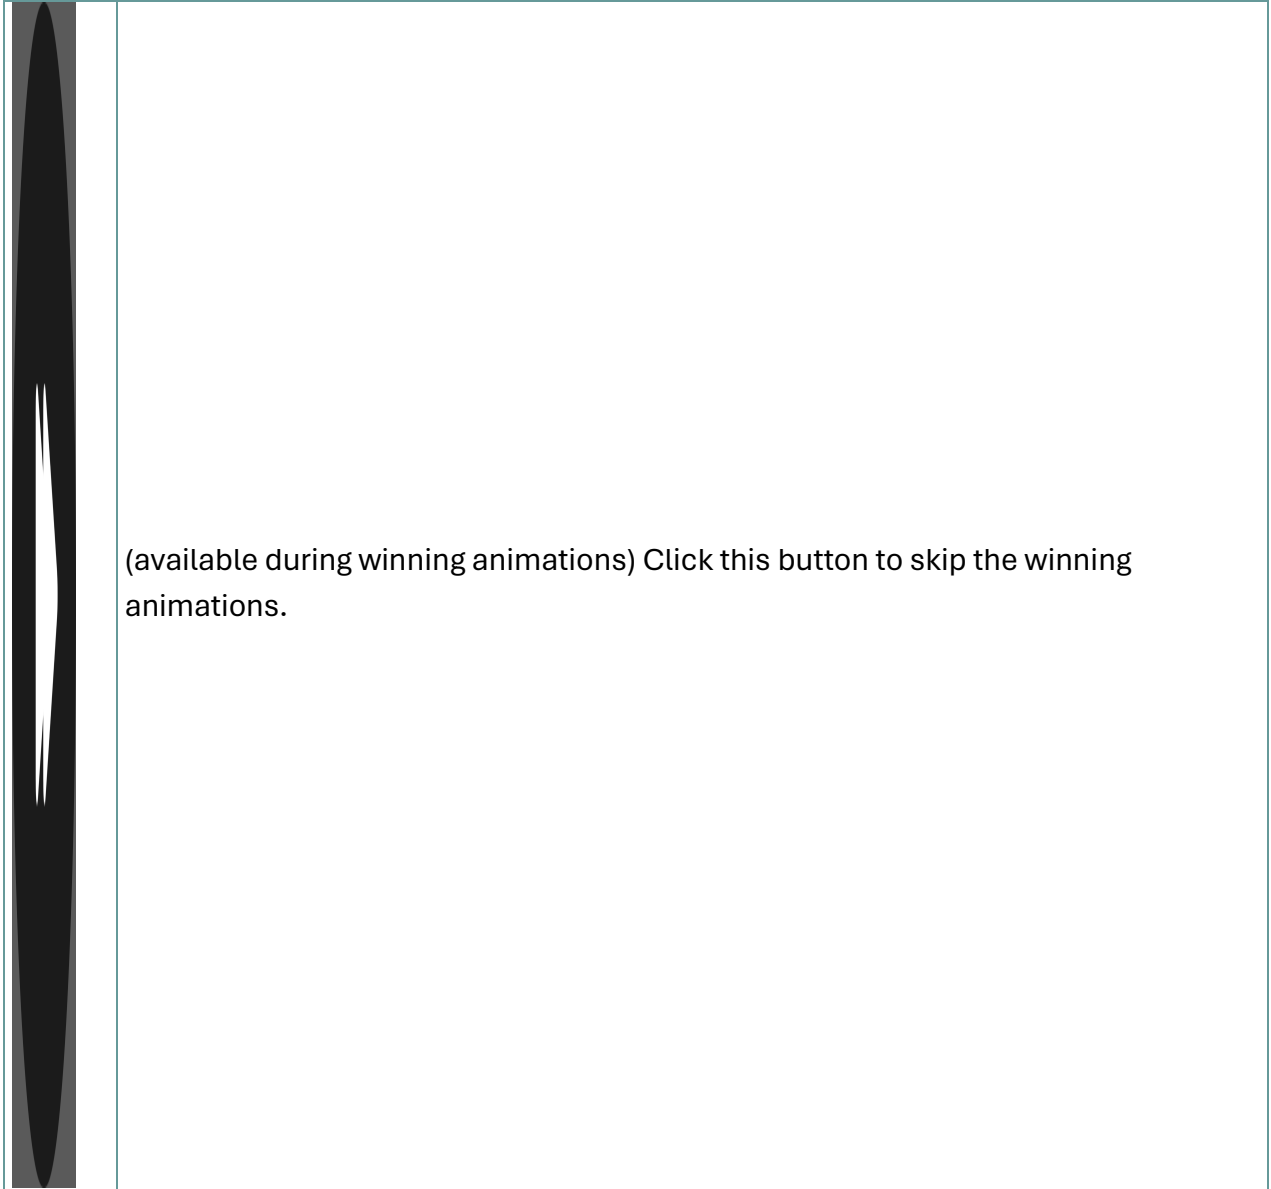

bonus game= Queen of Hearts Cash Respins.
